

About Us

- **Name:** Hope New Generation
- **Mission:** Empowering Communities, Preserving Nature
- **Vision:** A thriving Burundi where communities are resilient, nature is preserved, and everyone has access to opportunities for growth and well-being

Our Focus Areas

- **Environmental Conservation:** Preserving Burundi's natural resources for future generations
- **Social Assistance:** Fostering mutual support and assistance among communities
- **Vulnerable Populations:** Ensuring the well-being and empowerment of women, children, the elderly, the Batwa community, and underage pregnant girls

Our Approach

Community
Engagement

Sustainability

Our Impact

At Hope New Generation, we're proud of the difference we've made in the lives of vulnerable communities in Burundi. Here are some highlights of our impact:

Fighting HIV/AIDS in Universities

- Under our former name, FUCOS, we launched a campaign to combat HIV/AIDS in Burundi's universities, reaching thousands of students with life-saving information and resources.

Empowering Batwa Communities

- In Matana, we empowered and supported Batwa communities, providing them with the tools and resources they needed to thrive and break the cycle of poverty.

Transforming Lives

- Through our programs, we've seen lives transformed, communities strengthened, and hope restored.
- Our work has made a tangible difference in the fight against HIV/AIDS and in the lives of marginalized communities.

Get Involved

- **Donate:** Support our programs and initiatives
- **Volunteer:** Join our team and make a difference
- **Partner:** Collaborate with us to drive positive change
